Food Fair, Inc. Acquires Control Of Fox Markets

Food Fair Stores, Inc., of Philadelphia has acquired effective control of the reorganized Fox Markets, Inc., according to an announcement made this week. Food Fair has assisted the courts in managing the Fox Markets since bankruptcy proceedings in 1961. The Fox Markets were returned to private ownership under a permanent board of directors approved by the

Telephone Meet Slated in LA

'Send Me No Flowers' Will Close Saturday

Chapel Theater will conclude its current production of "Send Me no Flowers" this weekend with performances Friday and Saturday night.

"Send Me no Flowers" is a comedy about a hypochondriac whose main interest in life is studying medical books for some new and rare disease he has contacted. Bob Lohbauer of Inglewood plays the hypochondriac, and is supported by a seasoned cast.

Chapel Theater is located at 4164 Pacific Coast Hwy. Tickets are available for both performances at the box office. Curtain time is 8:30 both evenings.

Dog Show Planned for Weekend

The Harbor Cities Kennel Club all-breed dog show and obedience trial will be held at the new Long Beach arena, adjacent to the municipal auditorium this weekend.

The show, which will attract more than 3,000 dogs of 100 different breeds, is the largest in the United States. Entries from 26 states and the Dominion of Canada are expected.

More than \$35,000 in prizes and trophies are to be awarded winners in a variety of classes. A special feature of this year's show will be the competition of the 157 bloodhounds in the American Kennel Club obedience trial.

Exhibition and judging hours will be 9 a.m. to 9 p.m. both days.

Blowouts A Danger In Summer

High speed and hot weather driving during the summer months increases the chances of a tire blowing out to cause a fatal accident, according to the California Highway Patrol. Commissioner Bradford M. Crittenden points out that blowouts, though infrequent these days, tend to occur more often in the summer because of the added strain placed on tires by extreme heat which builds up pressure.

"A driver's natural reaction is to apply the brakes in the case of a blowout, but forceful braking can send your car into a dangerous skid or possibly a rollover."

The safest procedure is to let the car slow down before you brake, keeping the steering wheel in a firm grip and the car on a straight, even course.

When the vehicle slows to the point where you have absolute control, apply the brakes smoothly with moderate pressure, Crittenden said.

There was a time when we thought of the shade-loving cyclamen as a winter-flowering plant only. Today, however, they are available most months of the year. Planted now, they will bloom through summer and winter, sending up such a succession of their starlike flowers that you begin to wonder where they all come from.
